Welcome at 9:00am

Registration and refreshments will be held in the Mayflower Room

So that we may plan adequate room sizes, please indicate below your preference for each session. This is for planning purposes only; you are not making a commitment. Please make a notation of your choices on your conference program.

Session I: 9:15 - 10:15 AM

- A. SmART Moves: Drama - creative ways to incorporate drama in the classroom
- B. A Recipe for Happy, Healthy Children - fight childhood obesity with healthy food choices & daily physical activity
- C. Milestones in Child Development - language, motor, cognitive & social emotional domains

Session II: 10:25 - 11:25 AM

- A. SmART Moves: Dance - explore ideas with dance, rhyming words, locomotion through space, patterning, & inventing
- B. Infant/Toddler Spring Theme Activities - engage with literacy based themes in centers, circle time, etc.
- C. Active Play - explore fun, structured activities to get kids moving

Session III: 11:35 AM - 12:35 PM

- A. Intentional Teaching through Cooperative Learning - incorporate social-emotional teaching in daily routines utilizing the Pyramid Model for behavioral supports
- B. Healthy Food Story Time - engage children in making healthy food choices through storybooks
- C. Identifying Hearing Loss in Young Children - identify hearing loss in infants/toddlers & resources for children with hearing loss & their parents
